A question: can a 18-year-old play online
in Brazil? A common question between parents and adolescents. The
answer was yes, the adolescent with 17 days will play Online do Pa
s; but it's important to remember that there are some restrictions or
recommendations to be followed to ensure a safe and healthy
experience. Restrictions and guidelines for online games in Brazil
No restrictions in Brazil, there are some restrictions and
guidelines for online games. defined by the Brazilian
(Classind). A Classind is a classification system that
evaluates an age recommendation for each game or with base
on the content of the classification. In different categories
of content. For online games, the Classind considers the
content of the game as well as the presence of explicit language
or other factors that may be prejudicial to children/adolescents.
Therefore, it's important for parents to check the Classind
of each game before allowing their children to play.
