Keep pressure on your enemy and keep your troops advancing. You must use a combination of troops to advance - don't simply use one type of troops - try using everything at your disposal such as riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. This game is fun but also tactical and it will really make you think about your troop deployment and options! Release Date September 2008 Developer Chris Condon developed this game. Features Many units type to be deployed
