Parents need to know that Terrifier is a slasher mo

vie about an evil killer clown. Blood and gore are extremely strong, and

the violence against women is disturbing. One woman is hung na

ked upside down (her breasts are visible) and sawed in half from her crotch to h

er head.

The unexpectedly g

raphic nature of the violence.

The films are not afraid to show gra

phic violence, and some of the kills are truly disturbing. This can be very shoc

king for viewers who are not expecting it, and it can stay with them long after

they have seen the film.
