

# jogos a dinheiro real

[Call of Duty](#) is a 2003 first-person shooter game developed by Infinity Ward and published by Activision. It is the first installment in the Call of Duty franchise, released on October 29, 2003, for Microsoft Windows, PlayStation 2, PlayStation 3, Xbox, and Xbox 360. It is the first game in the franchise to be released on multiple platforms. The game is set in a fictional world during World War II, and follows the story of a group of soldiers fighting against the Japanese in the Pacific theater. The game is known for its fast-paced action, realistic graphics, and immersive sound design. It has become one of the most successful video games of all time, with over 30 million copies sold worldwide. The game's success led to the creation of the Call of Duty franchise, which has since become one of the most popular and profitable video game franchises in the world.

[PlayStation](#) is the primary destination for Call of Duty games, with an install base of more than 150 million consoles, ensuring Sony gets a cut of every game sale on its platform and also a commission on in-game microtransactions.

[Call of Duty](#) says farewell to the traditional console gaming model and embraces a new era of cross-platform play. The game is available on a wide range of platforms, including PC, PlayStation 4, PlayStation 5, Xbox One, and Xbox Series X/S. This allows players to enjoy the game on their preferred platform and play with friends across different systems.
